

Academic Honesty Statement

I _____ understand that all work submitted by me for CS 451/551 should consist solely of my efforts performed within the constraints established for that submission. I also understand that any violation of this policy will be regarded as cheating and will result minimally in my receiving an F for the course. I also acknowledge having read and understood course Academic Honesty Policy and the Watson School policy on academic honesty at

<https://www.binghamton.edu/watson/student-services/advising/undergrad-forms/honesty-policy.pdf>

I understand that if my submission explicitly acknowledges collaboration with another source, then the submission will not be regarded as dishonest and will be treated on a case-by-case basis.
